CITY OF MISSISSAUGA  
PLANNING DEPARTMENT

FILE: SP 166  
DATE: May 9, 1977

TO R. A. Searle, Mayor, and Members of the City  
of Mississauga Council

FROM R. G. B. Edmunds, Commissioner of Planning

SUBJECT Response to Submissions on the Draft Official  
Plan, 1977

ORIGIN On April 12, 1977, Council instructed staff to  
report within 30 days on submissions received  
on the draft Official Plan pertaining to phasing,  
and to all other matters.

COMMENTS The attached report, in two volumes with an  
appendix, addresses the following three issues:

1. The question of whether a phasing policy  
is necessary.  
  
It is the conclusion of the report that  
a phasing policy is an essential component  
of the Official Plan. This aspect was dis-  
cussed with the Commissioner of Engineering,  
Works and Building, the Commissioner of  
Finance, and the Commissioner of Recreation  
and Parks, all of whom endorse the conclusion.
2. The validity of the presently proposed phasing  
policy.  
  
A re-evaluation of the phasing policy pre-  
sently contained in the draft Official Plan  
was carried out. The criteria, assumptions,  
methodology and results are explained in  
the report, together with recommendations.
3. Responses to public comments and developers'  
submissions on the draft Official Plan.

Each submission is reviewed individually,  
and recommendations made.

It is anticipated that the final report and  
recommendations on the draft Official Plan,  
involving input from the Regional Planning Department  
and Provincial agencies, will be before Council  
in the latter part of June 1977.
